# Take-away Menu Selection

TURMERIC: Curcumin, one of the most studied active ingredients in turmeric, helps reduce the formation of fat tissue as it surpresses the blood vessels that form fat. This way, it aids to lower body fat and to gain body weight.

GINGER: This is a warming spice with anti-inflammatory properties also known for helping to soothe and relax your intestinal tract. Its thermogenic properties also aid boost your metabolism plus an appetite-surppressant effect when consumed.

CARDAMON: This aromatic spice has a sweet and spicy flavour and is a thermogenic herb that helps boost your metabolism and can increase your body 's ability to burn fat.

CINNAMON: Aids to boost your metabolism and also has remarkable benefits for blood sugar regulation.

GARLIC: Garlic is low in calories and very rich in Vitamin C, Vitamin B6 and Maganese, it also contains trace of various other nutrients.

The R91 piano lounge opened in the summer of 2010 with the intention of giving customers of The Raj somewhere to relax after dinner.

A combination of factors led to the R91 or Room 91 being named. Firstly, The Raj restaurant itself opened its doors for the very first time in 1991.

And, in recent years, motorcycle racer Leon Haslam has become a regular visitor to The Raj here in Kettering. Leon, now competing in the World Superbike Championship, has always raced under number "91" and has placed a replica machine on show in the ground floor cocktail bar area.

Whether you are a long-time friend of The Raj, a new customer or a visitor, please let us ensure your visit is the best possible experience.
